After you get through all of that, you then need to make a choice between there (where you usually end up) or "there" (where you really should be) ...

**DIAGRAM that takes you from here to "there!"**

It's all in getting to the real "THERE" that has always been there ...
Beyond getting sidetracked, you'll see the "direct route" to connect the dots. You already know where this winding path takes you, as so many times before, over and over again, you ended up there, not happy, thus a ...

YOU are in the middle of it all (constantly), so:
- Pay more attention.
- Think about what you really want.
- Make a difference!

Then you'll take direct routes to ...

"There!"

You just know you want to be on this side of the curve!
